Sample text:

As a girl in Computer Science I find it very encouraging to see other woman in this field who have been successful in a field dominated by men.

My name is Priya Govil, and I am studying Computer Science at John Abbott College. My first year of college is almost over and it's been an amazing experience so far.

This font is used in paragraphs and in headings (for all text)

Font-size for heading 1: default size and **line-height** is also default

Font-size for heading 2: 1.6rem and **line-height:** 1
